Dear Open License Customer,

Thank you for your recent purchase of licenses through Microsoft reseller, **METRO PROFESSIONAL PRODUCTS CO.,LTD** under the Microsoft Open License Program. Rather than deliver license certificates, as we have done in the past, Microsoft is now fulfilling Open License orders electronically. For electronic confirmation of your order, simply enter the Volume Licensing Service Center (VLSC) Internet Address (URL) identified below into your internet browser.

Online information regarding your licenses at this site is encrypted and is secured. The 1st time you visit the site you will be prompted to create an ID and password using the Windows Live ID technology.

Open License Authorization Number	66225415ZZS1112
License Number	46209019
VLSC Internet Address (URL)	<a href="https://www.microsoft.com/licensing/servicecenter/">https://www.microsoft.com/licensing/servicecenter/</a>

**Instructions for creating your ID and password using Windows Live ID technology**

Please ensure that your password to this site is protected and shared only with those individuals and organizations whom you trust with the information pertaining to your Open License portfolio. Once in the site you will be able to view, print and download your license data .

**This online website is the official record of licenses for software purchased under the Open License program.**

If you are interested in maintaining physical records regarding your licenses, hard copy order confirmations may be obtained from your reseller. Please note, however, that the order confirmation will be provided solely for informational purposes and, as such, will not serve as legal evidence of your licenses in cases of dispute.

**Volume License Key:** To install certain licensed products you will need to use a specific Volume License Key (VLK). This VLK is issued to your company for your exclusive use for each specific license purchase. You agree to use your best efforts to keep a secure record of this key including not disclosing this key to any unauthorized third party. The VLK is available at the VLSC web site at <https://www.microsoft.com/licensing/servicecenter/>. If you do not have access to the Internet, please consult your reseller. For more information about Volume License Key, please go to the "Volume License Key" section on <http://www.microsoft.com/licensing/existing-customers/product-activation.aspx>.

**MSDN Subscriptions Benefits.** The purchase of MSDN Subscriptions as part your license agreement provides additional benefit entitlements. Please use the following link to claim the MSDN Subscriptions Benefits associated with this license: MSDN Subscriptions Benefits Administration Tool. From this site, MSDN users will be able to claim the following benefits: MSDN Media Subscriptions, MSDN Subscriber Downloads, MSDN Technical Support Incidents, MSDN Managed Newsgroups, and MSDN Online Concierge. Please note that benefits for Open Licenses can only be administered for a single license at a time. For additional information on administering MSDN Subscriptions Benefits, please visit the MSDN Subscriptions Support site at: <http://msdn.microsoft.com/subscriptions/>. Please access the MSDN Subscription Benefits through VLSC if you wish to claim your MSDN complimentary media and MSDN Subscriber Download site access.

Customers who acquire Microsoft CRM v1.2 software must obtain a Registration Key to enable the software by registering at <http://www.microsoft.com/BusinessSolutions/MBSRegistration> using their valid license agreement details. Customers who acquire Microsoft Dynamics v3.0 software will obtain the Product Identification Key (PID) on the back of the MS Dynamic CRM v3.0 media which they must purchase separately from the license.

Again, thank you for your business.

Microsoft Open License Team .
